2015 National Survey of MarketMaker Businesses

I am conducting a very short survey to collect limited information about the food, seafood or tourism businesses registered in MarketMaker. These survey data are very vital in estimating the economic impacts of the online food marketing program. The survey is completely voluntary and you may discontinue your participation at any time. It will take you about five minutes or less to answer the survey.

Please encourage your local food businesses to complete the survey. They can send me a private message at ben.posadas@msstate.edu for the WebLink to the online survey.

For more details about the online survey, go to <http://www.coastal.msstate.edu/MSMMSurvey2015.html>.

The Mississippi MarketMaker outreach program is funded in part through grants provided through Gulf States Marine Fisheries Commission, Oil Disaster Recovery Program under NOAA Fisheries grant award number NA10NMF4770481.
